

# HOW TO REGISTER FOR INTEGRATED METALS DISCUSSION BOARD

Integrated Metals Discussion Board (IMDB) is a completely separate forum from Poster's Paradise (PP). Both forums are part of GoldTent.

Both forums require you to register first before you can post messages or vote on polls. Lurkers can view these forums without the need to register. That means if you created a username and password for PP, it **will not automatically work** for IMDB – they are completely two different sites.

IMDB is different from Poster's Paradise (PP) in that threaded post by topic is activated, in addition to other differences. IMDB is also where all polls take place and it has been created for purposes of detailed discussions of various Metal Topics.

How to register for IMDB:

First go to the URL for IMDB: [http://www.goldtent.com/phpbb\\_admin/](http://www.goldtent.com/phpbb_admin/)

If you have not registered, you will notice that you are not logged into IMDB:
